About me

BROOKE HAMLIN is a pastor's wife who is passionate about introducing people to the REAL Jesus -- not the monochromatic, 2-D, storybook Jesus -- but the God who invented laughter, hugged lepers, and rejoices over His children with singing. She enjoys using humor and witty storytelling to introduce people to the beauty of Christ as revealed in His Word. Her books, "Escaping Ordinary" and "The Good Portion," both ranked in the top 10 on Amazon's "Hottest New Releases" lists. "Hottest New Releases" lists. Her podcasts are available on all major streaming platforms. She lives with her studly husband and two beautiful babies in wild and wonderful WV.
